Iconic Power is a collection of original articles that explores social aspects of the phenomenon of icon. Having experienced the benefits and realized the limitations of so called linguistic turn, sociology has recently acknowledged a need to further expand its horizons. This surplus of meanings, enacted repeatedly in social life, is the foundation of the driving power of iconic objects, a power that can create solidarities and social distinctions. The foundation of the iconic power of objects is that they function on the level of immediate i.e. sensory and aesthetic perception.
