ISTPs can excel in nearly any field, but they are known for their strong survival skills, understanding of technology and hands-on processes. They are not only realistic and pragmatic, they are also independent thinkers who don't conform to other people's rules and ways of thinking. So what others may see as a rash decision may be something that the ISTP has been deliberating about, planning, and considering for some time. ESTPs may also struggle with this problem. My ESTP husband often felt frustration with this in his own life. The ISTP may find people of these types particularly interesting and attractive to get to know. Relationships between ISTPs and these types should have a good balance of commonalities and opportunities to challenge one another. In ISTP: Understanding & Relating with the Virtuoso, you'll learn about the ISTP Myers Brigg Personality Type. This book covers a variety of topics regarding ISTPs (Introverted Sensing Thinking Perception) and why they make such artistic ugweeklynews.coms: 3.
