De vier principes van succesvol opdrachtgeverschap (5th edition since out in).Reviews: 4. Successful project sponsorship: a time-saver for the busy executive. [Michiel van der Molen] -- "The project sponsor/executive/director is essential for any project, as this person is in charge and ultimately accountable for its success (or lack thereof). However, as a busy business manager, balancing the role of project executive with other management responsibilities, the project sponsor wants more control for less effort. The four proven principles in Successful Project Sponsorship help them to achieve precisely that.

Sep 10, A time-saver for the busy executive. Finally I would say. I used to give his Dutch book as background information to participants of my workshops about directing projects or project sponsorship.
